Dear Parent/Carer,

**Re: Drop down Day - Year 10's**

As you are aware the year 10 students have had a busy few weeks. They have completed a set of mock exams and work experience. We want to build on these experiences and prepare them for year 11. We have therefore planned a drop-down day for them on Monday 15<sup>th</sup> July. The day will comprise of a range of activities designed to provide them with study and motivation support as well as an introduction to our sixth form so they can start to think about choices post-16.

Once they have completed the morning session, they will be heading over to Peterborough Regional College where they will be able to participate in some fun sporting activities, including an inflatable assault course.

The Students are welcome to come to school in suitable PE Attire for the day.

The plan is as follows: -

	<b>Group (1)</b>	<b>Group (2)</b>
<b>9.00 am</b>	Study Skills (Positively You)	Sixth Form
<b>10.00 am</b>	Motivation Skills (Positively You)	
<b>11.00 am</b>	Lunch	Lunch
<b>11.30 am</b>		Study Skills (Positively You)
<b>12.30p m</b>	Sixth Form	Motivation Skills (Positively You)
<b>1.30</b>	Sport Activities	Sport Activities

----	--	--

We would hope that this will provide the students with an experience they can reflect on as they head into the summer break. If you have any questions their allocated tutor is your immediate contact. We thank you for your ongoing support,

Kind regards,

***Claire Dillon***
